May Meeting: Dewees Cochran & Her Dolls with guest speaker Jeannie Thibodeau

Where:	Parish House Canterbury United Community Church Hackleboro Rd., Canterbury NH 03224
When:	Saturday, March 9 11:00 Social Hour & Lunch 12:00 Business Meeting Program to follow
Please bring:	Your nametag; a Mystery Gift if you owe one; your lunch including drink and dessert; your monthly finds and show & tell items; any Dewees Cochran dolls in your collection

Program: We have a wonderful guest speaker this month. Jeannie Thibodeau of the Nellie Perkins Doll & Miniature Society will share with us her collection of dolls designed and made by Dewees Cochran, and talk about her personal connection to the artist and the dolls. You won't want to miss this one! Please limit the number of items you are bringing for the sale tables this month, as Jeannie needs five tables for her program.

Business: At our April luncheon, we voted to have one meeting in either January or February of each year, but not both; so if the weather in January is fine, we will meet then and take February off, but if the weather in January is bad, we have February for a back up plan. We will continue to take the month of July off, as we have in the past. We also discussed the issue of kids at our club luncheons. No consensus was reached, so it was tabled until a future meeting.

Donation: In April we voted to send a donation of \$250 to the Woodman Museum in Dover, which has antique and vintage dolls in its collection.

Doll Show: The Doll Show Committee needs your help to advertise our September show. Jean Stewart asks that you look in your area for advertising opportunities, such as events calendars, local newspapers or other media. Get the contact info and send it to Jean, she will be making a stock ad to be submitted everywhere. The postcards have been printed and will be available at the May meeting. We are having a theme for the show this year—it's "Fairyland"! Jean and Alison Vallieres are making fairy houses to display at the show. We'll also have a separate exhibit of fairy, elf, gnome and other fantasy dolls of all types.
